Pricing

The price of each book is £50

You have two options of how to get hold of your book.

1. You can collect your book personally from a series of collection points that will be announced closer to the time of the validity of the particular gift book you have ordered.
2. You can pay **£5.00** for up to 10 books to have your book delivered straight to you via courier alternatively you can opt for the Collection option and collect your gift book from a collection point that will be announced on our website.

So to put things simply:

Gift Book + Collection = £50.00

Gift Book + Delivery = £55.00

Validity

The vouchers in the book can be split up and shared between friends and family. There is, however, a **Master Voucher/Key Fob** that will need to be produced at the same time as the voucher you are looking to use. This is to prevent individual vouchers being sold on. The **Master Voucher/Key Fob** will match with all the vouchers in your book, so lending it to a friend will not be a problem, providing you get it back!
